

# CUT 100 PLUS

## **Features**

- Fully digitally controlled.
- With Inbuilt compressor.
- With ARC function.
- Highly efficient & cost effective.
- Can be used to weld 4mm electrode continuously.
- One machine to take care of all your welding & cutting needs.

#### Package Includes

- Earth Clampset
- Air Hose
- Air Filter Guage
- Plasma Torch P80

### Latest IGBT MODULE technology

Air Pressure Input	Quality Cut	Ultimate Cut
Inbuilt Compressor	22 mm	45 mm
External Compressor	35 mm	45 mm

## **Specifications**

Input Voltage/Phase/Frequency	V / P / HZ	415 / 3 / 50-60
Output Current/Voltage/Duty Cycle (CUT)	A / V / %	100 / 120 / 60
Output Current/Voltage/Duty Cycle (MMA)	A/V/%	330 / 33.2 / 60
Amps Input At Rated Output	А	20.2 @ 100
Output Range/OCV (CUT)	A / V	23-100 / 315
Output Range/OCV (MMA)	A / V	30-330 /75
Dimension	L*W*H(mm)	620*310*650
Net Weight	KG	54.45
